No. F.3(32)/2005/FSS/P&C. 11-11-11

CIRCULAR

In view of guidelines issued by the Government of India vide letter no. F.NO.1-2/2007-BP III dated 20.2.2007, the SFAs for a month must reach the FPS before the beginning of the month and accordingly arrangements have been made by DSCSC Ltd to ensure timely transportation of SFAs to FPS. Moreover, the procedure of opening of sale by Inspector/FSO of each commodity in each FPS every month is very cumbersome and leads to wastage of time, harassment to FPS owners and also leads to complaints of various malpractices.

Therefore, it has been decided that the sale of SFAs for a month in all the FPS shall be deemed to be open on 1st day of the month and SFAs can be sold by FPS till the last day of the month. However, if the FSO concerned, due to any complaint or any other reason, wants the sale of SFA not to be opened in a particular FPS, he shall give a written order citing reasons for the same and also get the necessary entries made in this regard in the inspection book of the FPS concerned.

In case the SFAs do not reach the FPS by last day of the previous month due to any reason, the FPS will not open the sale for 48 hours after the receipt of SFA, after which the sale will be automatically deemed to be open.

FSO and Inspectors shall be extremely vigilant and watch the movement of SFAs from the godowns of FPS in their portal. They will also conduct inspection of each FPS in their area during the transportation period of SFAs to ensure that allocated quantity of SFA has reached and is available in the FPS. Date of such inspection and observations of the inspection must also be entered in the computer. If any irregularity is noticed by them during the inspection, sale should be stopped and appropriate action is taken against the FPS.
